ORGANIZATIONAL CHART

COMPANY'S UNIQUENESS

Customer service and training are real problem in the industry, and our company aspire to raise these to a new height, requiring extremely strict training requirements and providing excellent and fast customer service with no turn around time. These two areas are sadly lacking, and may lead to problems. Our teams are given on the site training and orientation, support when needed and first aid training, contact number are available at all times, and the media team are trained in when and how to use this numbers if necessary. We are different because we offer excellent customer service.

BEZALEEL is an extremely innovative company that is always open to fresh ideas. We are always looking at new ways to improve our operations. It can also be found in our exemplary customer and support. It is evident in our stringent personnel section process and how we subsequently invest heavily in our staff's training and support, supervision and personal development.
